

JOCKEY WHEELS - XO SERIES

NOWHERE IS OFF LIMITS

Ark's XO Series Jockey Wheel is probably the toughest, most advanced Jockey Wheel in Australia today

But not only is it tough, it's also versatile - with multiple height options, a highly maneuverable trailing yoke design, different yoke locking positions and now available in many sizes, weight ratings and styles.

Thoroughly tested and continually improved, the XO Series Jockey Wheels has fast become a standard within the camper trailer and caravan industry.
